Dear Barry,

Just a quick note on behalf of Steven, Pat
and myself to thank you and your team for a
wonderful 'end of project' lunch out to Wheatshed
on Fardens, as well as the beautiful clock you
presented to us. It is now home in our centre stage
in our reception !!

Can I also thank you and your team for
all your efforts over the last two or so years for
all the hard work, effort and thought which has gone
into delivering us vessels 6, 7, 8 and 9.

As I said on Fardens, it might take a bit of
time to persuade our bankers to lend us the money to
build 10 and 11, but you never know !

Many thanks again,

Yours sincerely,

**Presentation of Commemorative Clock to Simpson's Malt at the Hand
Over Ceremony of the New 4 x 350 tonne GKV plant.**
(Vessels 6, 7, 8 & 9)
