DESIGNED AND BUILT IN THE UNITED KINGDOM 

# APRON FEEDERS

We offer both standard and bespoke apron feeders for applications in the most demanding operating environments. We only build machines which last.

Apron feeder pre-assembled in our factory, suitable for 2000 TPH of Coal or 4000 TPH of Iron Ore

## GET YOUR APRON FEEDER DESIGNED BY THE EXPERTS

Our application engineers will be pleased to provide you with a specification for the best apron feeder to meet your requirements. Simply provide us with the following basic information:-

- ▶ Type of material
- ▶ Size analysis of feed material
- ▶ Bulk density
- ▶ Feed rate (TPH)
- ▶ Moisture content
